CONFIRMATION OF CONSIDERATION

Dear Examiner Healy:

Enclosed herewith is a copy of a page of the original SB-08 form previously submitted for your consideration on 12/4/03 as well as a revised SB-08 form that you asked me to send to you. The revised SB-08 form merely identifies the two "crossed-out" references that accidentally had two transposed numbers listed on the SB-08 form. These previously cited references are U.S. Patent No. 6,185,021 (Fatehi et al.) and U.S. Patent No. 6,061,482 (Davis). You considered these references in the parent application (Application No. 09/704,439) that issued into U.S. Patent 6,650,803. It is noted that U.S. Patent 6,650,803 identifies Davis with the same transposed numbers, which may have caused this typographical error to occur, but receipt and consideration of the reference in question was clearly acknowledged in the parent application.

The submission of the revised SB-08 form merely confirms that you have considered all of the references cited in the parent application, including these references that were "crossed-out". We would greatly appreciate if you can confirm consideration of these references by initialing the enclosed SB-08 form. Of course, while we would prefer placement of these references on the cover, but if not possible, the SB-08 form would merely confirm to us that you have considered these references that were available in the parent application.
